Dear Sirs:

We received an adult application for Sidney L. Spencer (attached) which was not accepted. After talking with the head of the chartered organization, Bishop Eric Walz, it was determined that Bishop Walz would inform Mr. Spencer that his registration would not be accepted by the B.S.A. Bishop Walz had a strong opinion that he was the one that should do this.

A letter to Mr. Spencer was prepared and also his registration refund. I request that you add Mr. Spencer to the confidential file. Thank you.

Sincerely,

Scott W. Johnson

Dear Mr. Spencer:

After careful review, we have decided that your application for registration with the Boy Scouts of America should be denied. We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America. A refund of your registration fee is enclosed.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to refuse registration whenever there is a concern that an individual may not meet the high standards of membership which the BSA seeks to provide.

If you wish to have this decision reviewed by a BSA regional review committee, please write to the regional director within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a BSA member should be accepted. The procedures for a review of this decision are attached.

Sincerely,

Scott W. Johnson
